

SCHOLARSHIP

Sacramento Press Club
1000 Sagamore Way
Sacramento, Ca. 95822

Sacramento Press Club has increased our scholarships this year. The organization is offering \$15,000 in scholarships to students who are preparing for a career in journalism or a closely related field. Applications will be accepted through April. The Sacramento Press Club has a long history of assisting students with college scholarships -- since 1974 we have helped dozens of students reach their dreams.

Basic qualifications: Students have to be juniors, seniors or graduate students in the 2009/2010 academic year, with a connection to the greater Sacramento region. There are a number of ways they can establish that geographical connection -- they don't have to live in the region currently. Please refer to [the application in the link at http://www.sacpressclub.org](#).
